- c) It was noted that the road at Leasgill had been patched and not resurfaced as indicated previously and the Chair stated that he would pursue the matter

Footpaths/Tracks:

- i) The Chair reported that work on the map / visitor information noticeboards in collaboration with The Athenaeum was progressing well. They would include rights of way and permissive paths. The possibility of a third in the Heversham Hotel car park was being explored

- ii) A request for possible locations for the Queen's Platinum Jubilee Green Canopy tree initiative had been made at the Annual Parish Meeting without success. Grants had therefore been requested from Leasgill Quarry Trust and the Rhoda Thompson Trust towards a combi-swing – after taking into account the £350 already received from SLDC as a locality grant – and the supply only purchase of a combi-swing was **agreed** with separate installation by a qualified contractor.
